

TECH REMIX

In the year 2006, Tech Remix LLC started its operations and supplied over 450,000m³ of ready mix concrete within the first year; a testament of product quality, customer service and acceptability to different contractors.

Equipped with the state-of-the-art plants, a large fleet of truck mixers, mobile and stationary pumps, placing booms and other equipment, Tech Remix ensures high-quality products of all grades including rheo-plastic as well as self-compacting, water-proofing and high performance durable concrete.

Being an ISO 9001:2008 certified company committed to apply quality management systems for manufacturing and supplying ready-mix concrete, Tech Remix provides the best products and services to the utmost satisfaction of its customers.

OUR PEOPLE

Tech Group's foundations are built on the experience and skill of the people who work for us. We have a passionate and focused team of people who excel in everything they do.

The innovative spirit and inquisitive nature of our people has helped us build the businesses we are in.

The key to our success is accountability. We empower and support our teams to be the best they can be. We encourage them to collaborate, voice their opinions and share their ideas.

We believe in providing challenging opportunities for people to learn and grow, be clear on their responsibilities and be driven to deliver.

We truly value our people and our extended team of subcontractors and consultants.
