CORPORATE PHILOSOPHY

MISSION

To achieve innovative growth which creates value for our stakeholders, customers and employees, hence delivering high-quality, cost-effective projects on time. We will continue our commitment and drive to build fair and true relationship with our clients.

VISION

To be UAE's premier contracting enterprise with a global reach, passionately pursuing value creation for all stakeholders

CORE PURPOSE

To be a trusted partner integral to our clients' success. through our diverse capabilities.

VALUES

- Innovation & Risk Taking
- Safety & Environment
- Ethics & Integrity
- Operational Excellence

MESSAGE FROM THE CEO

*“Within a decade of its formation, **Tech Group** and its business units have become the biggest manufacturers, suppliers and distributors in their respective fields across the Northern Emirates. Backed by a forward-thinking management and driven by a talented pool of dedicated human resource, **Tech Group** has become synonymous to transparency, operational excellence and highest degree of service. We have not only exceeded expectations of our business partners, but have also established ourselves as one of the most renowned construction group of companies in the UAE.*

*Keeping up with the legacy of compliance and ethical conduct, we, at **Tech Group**, continue to increase our regional footprint and expand our portfolio to further facilitate our business partners through the shifting market dynamics.”*

Shiraz Hasan
Group Chief Executive Officer
