TECH CONSTRUCTION

Tech Construction has been a leading construction company in the Northern Emirates for over a decade. The company has operated as the main managing contractor since 2006, delivering multiple large-scale projects such as commercial spaces, community villas, mixed used developments, educational and residential buildings.

It has an aggressive growth strategy that is well supported with the latest machinery and equipment, meeting project deadlines without compromising on the quality of the product while maintaining the highest safety standards observed by industry.

Tech Construction works closely with the Group's various entities to deliver end-to-end construction solutions across a broad range of sub-contractor services – ensuring fully integrated whole life cycle outcomes.

Tech Construction is an ISO 9001:2015, 14001:2015 and OHSAS 18001:2007 certified company.

OUR PEOPLE

Tech Group's foundations are built on the experience and skill of the people who work for us. We have a passionate and focused team of people who excel in everything they do.

The innovative spirit and inquisitive nature of our people has helped us build the businesses we are in.

The key to our success is accountability. We empower and support our teams to be the best they can be. We encourage them to collaborate, voice their opinions and share their ideas.

We believe in providing challenging opportunities for people to learn and grow, be clear on their responsibilities and be driven to deliver.

We truly value our people and our extended team of subcontractors and consultants.

OUR EQUIPMENT

We take pride in our investment in state-of-the-art equipment including tower cranes, bull dozers, trucks , hdraulic excavators, craddles and more, allowing us to meet all the commitments outlined to the client, stay on budget and expand our horizons and scope of work on a regular basis. The stable machinery for the industry also allows us to have ambitions expansion plans.
